About 2012 ISMM

The World Congress of the International Society for Mountain Medicine (ISMM) is a biennial premier and the most influential event in related area. As mountaineering is getting more and more popular, the issue to prevent or to treat for high altitude illness has gotten more serious concern. In 2012 ISMM, Mountain Medicine, Hypoxia and Altitude Physiology are chosen as the main themes of this congress; meanwhile, we are going to discuss safety and enjoyment of mountaineering. It is with great pleasure that we welcome you to 2012 ISMM:

Date: November 3 - 6, 2012
Venue: Taipei Physical Education College
(No. 101, Sec. 2, Zhongcheng Rd., Shilin Dist., Taipei City, Taiwan (R.O.C.))
